

# In the Supreme Court of the State of Alaska

**Herbert Johnson,**  
Appellant,

v.

**CSSD,**  
Appellee.

Supreme Court No. S-17911

## **Order Returning Appellant's Brief**

Date of Order: **12/24/20**

Trial Court Case No. **3AN-18-09509CI**

Appellant's brief and excerpt of record, filed on 12/21/20, are returned for correction, based on the following reasons specified by the law clerk who reviewed the brief and excerpt for technical compliance with Appellate Rules 210 and 212.

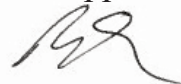

**Many portions of the arguments in the brief are difficult to read or make out. To offer you another chance to improve your arguments to the court, we are returning your brief to you and providing another blank brief. If you are able, please try to write or type your arguments in the brief more carefully so we can ensure that the court can understand your arguments. If you do not feel you are able to improve the legibility of your written arguments, you may simply file a notice stating that you would like for the court to use the brief and excerpt originally filed on 12/21/20.**

**Additionally, the Appellate Clerk's Office went ahead and created a cover page and table of contents for your excerpt of record. We also numbered the excerpt pages. Please use the excerpt that we are returning to you when resubmitting your brief.**

The original and one copy of the corrected brief, and the excerpt, with proof of service, are due on or before **1/5/21**.

Entered under Appellate Rule 102(f).

Clerk of the Appellate Courts
